

Ms. Deaver currently serves as the district's Director of Special Education and 504 Coordinator. She began this position in July 2008. In this position, her responsibilities include working directly with teachers and administrators to ensure that our Special Education and Related Services as well as 504 compliance is adhering the requirements set forth by the State of New Jersey, the Board of Education, and most importantly, meeting the needs of our students.

Prior to her current position, Ms. Deaver joined the Pittsgrove Township School District in 2003 as a Social Worker on the Child Study Team. Prior to joining the professional team in Pittsgrove, Ms. Deaver worked at an Out-of-District Special Education Private School serving students from grades 6-12 with Behavioral Disabilities.

Ms. Deaver earned her undergraduate degree from Richard Stockton College of New Jersey in Psychology. She holds Master's degree from Widener University in Social Work. She also has a License in Social Worker. Ms. Deaver continued Graduate studies at Wilmington University and obtained her certification in Supervision.
