

In July, 2015, Mrs. DuBois Trembley achieved her professional goal when she was named Principal of Arthur P. Schalick High School. Her responsibilities include the management and instructional leadership of our high school. She considers it an honor and privilege to serve the students at Arthur P. Schalick High School as Principal.

Mrs. Yvette DuBois Trembley graduated Arthur P. Schalick High School in 1998 among the Top Ten of her graduating class. She earned her undergraduate degrees in 2003 from Rowan University in Math/Science and Elementary Education (K-8). Mrs. DuBois Trembley returned to the Pittsgrove Township School District as a staff member in 2004, accepting a position as 5th and 7th grade science teacher. She also instructed 5th grade basic skills language arts and 6th grade science and language arts. Prior to joining the professional team in Pittsgrove, Mrs. DuBois Trembley taught mathematics in grades 5-8,

Algebra I, language arts, and social studies in neighboring South Jersey Schools.

In 2006, Mrs. DuBois Trembley earned her M.A. in School Counseling. She then continued her graduate-level coursework and acquired her NJ Supervisor Certificate. In 2009, she earned her M.A. in School Leadership and acquired her School Principal Certificate. She also holds a School Administrator/Superintendent Certificate of Eligibility.

Mrs. DuBois Trembley advanced her career, accepting her first administrative position in the district as Supervisor of Math, Science, & Technology in 2008. Two years later, in 2010, she accepted the position as Assistant Principal of the Pittsgrove Township Middle School. Then, in 2012, Mrs. DuBois Trembley accepted a Central Office position as Director of Curriculum & Instruction, K-12. She served as Director of Curriculum & Instruction for three years.
