

2nd Grade Required Summer Reading 2020

**Pittsgrove Township
School District**

P.R.I.D.E. Patience Respect Integrity Diligence Empathy

Note to Parents:

One of our district's primary goals has always been to develop lifelong readers and learners. For this reason, we would like to offer students a variety of books from which to select.

Over the summer, **students are required to read 1-2 picture books or 1 chapter book.** Your child should read the books for enjoyment while recording evidence from the text using the attached handouts. This will help your child be prepared to write and speak about the text upon their return to school in September.

Enclosed are the graphic organizers that must be completed as your child reads their selected books. Please print the documents before students begin reading so they can complete the work while reading.

Thank you for encouraging your child's reading. We look forward to building on the foundation you will help establish during the summer
