August, 2016

Dear Parent/Guardian:

We are excited to begin the 2016-17 school year. As we know, severe weather/emergency conditions can occur in any season. In the event our schools close due to inclement weather/emergency conditions, we will post that information immediately to our district website homepage: www.pittsgrove.net, and notify all school families through our emergency phone notification system.

For those of you new to our district, the emergency phone notification system allows the superintendent, the principal of your child's school, or another designee, to call your home, or other designated number, with important school information. The emergency phone notification system is also our primary method of informing you of your child's attendance. ***For these reasons, I urge you to make sure that your phone contact information is accurate and kept current at your child's school.***

As a backup to the emergency phone notification system and our webpage, this year we will continue to notify four major television stations of our school closings and emergency announcements. The following television stations will post school closings by district for viewing on screen, as well as on their website. Most television websites also offer text messaging to your smartphone should you choose that option.

<i>KYW</i>	<i>TV3</i> <i>Web: www.kywschools.com</i>
<i>NBC</i>	<i>TV10</i> <i>Web: www.nbc10.com</i>
<i>WPVI</i>	<i>TV 6</i> <i>Web: www.6abc.com</i>
<i>FOX29</i>	<i>TV 29</i> <i>Web: www.myfoxphilly.com</i>

In the event of an early dismissal, we encourage you to make appropriate arrangements and instruct your child/children what to do upon arriving home earlier than usual when no one is home.

For those of you who have children in our School Age Child Care Program, (SACC), and have questions regarding the appropriate procedures to be followed for early dismissal, please contact the SACC Program Director at 856-358-3094, Ext. 4034.

Sincerely,

Henry Bermann
