April 3, 2020

Dear Parents/Guardians:

As we approach our scheduled spring recess, I would like to thank you once again for your patience, support, dedication, and cooperation through the first 15 days of our school closure. As COVID-19 cases continue to rise and the state continues to seek relief to save lives, we remain dedicated to safeguarding the health and wellness of our students, staff, families, and community at large from the spread of COVID-19. This has certainly been a challenge for everyone involved, but we will continue to work toward solutions every day. Together, we will emerge stronger and more resilient.

The Pittsgrove Township School District will be operating on a half-day (online) schedule on Wednesday, April 8th, and will be closed for spring recess from April 9-14, 2020. Meal deliveries and pickup will not take place during the school spring recess (between Thursday, April 9th, and Tuesday, April 14th). School will be back in session (online) on Wednesday, April 15th and meal pickup and delivery will resume as normally scheduled.

I encourage each of you to enjoy this much-needed break while continuing safe social distancing practices. We all realize that social distancing is critical to containing the spread of COVID-19 and to keeping all of our families safe.

While there is no timeline in place for our return to school, it is encouraging to see our students, staff and community making the best of this situation. If you need assistance of any kind, our teachers, principals, school counselors and I are just an email away. Please continue to check the district website for the most up-to-date information.

Enjoy the spring break. We look forward to continuing our journey on April 15th.

Sincerely,

Dr. Scott Hoopes
Superintendent of Schools
