Dear Parents/Guardians:

In an effort to keep all parents/guardians informed, please be advised of the following updates regarding our school closing:

Pursuant to Governor Murphy's Executive Order, ***the Pittsgrove Township School District will remain closed until further notice.*** Governor Murphy emphasized that school closures will be for a long and extended period during the Coronavirus outbreak and until health officials deem our schools safe to resume classes.

Today we received an important notice from the New Jersey Department of Education stating that all statewide student assessment testing is cancelled for remainder of the 2019-2020 school year.

Again, thank you for your cooperation as we continue to navigate this pandemic. I will keep you informed through our School Messenger phone call system and by posting COVID-19 updates to our website www.pittsgrove.net

Should you have any questions, please do not hesitate to reach out to me. If you would like to talk with a qualified healthcare professional, the NJ Department of Health has established a 24-hour public hotline at 1-800-222-1222.

Sincerely,

Dr. Scott Hoopes
Superintendent of Schools
